

PTA

***Making a Difference
One Member at a
Time!***

Joining the PTA at Helen Keller Elementary shows you care about our kids, their education, safety, health and well-being. Becoming a member shows a commitment to your child's education, but does not obligate you to be a PTA committee chair, or attend every PTA Meeting.

Some can do a little, some can do a lot, some can't do anything at all, but together we make a great team. Please do your part in supporting our school and join the PTA.

For a little over 3 cents a day you can make a huge difference. PTA Helps Provide many wonderful programs here at Helen Keller – just peek at our website www.HelenKellerPTA.org to see a little of what we do to help enrich the educational experience of our future generation.
