Frequently Asked Questions

❖ Who can join the PTA?

Any person who is interested in being a part of an Advocacy group representing the education and well-being of every child. Members can be parents, guardian, relatives of children – or simply members of the larger community with these interests.

❖ Can PTA Members assume volunteer positions involving direct access to our kids?

PTA Membership and Volunteering activities in our school are two entirely separate issues. The safety and well-being of our children is the highest priority of Helen Keller PTA. PTA membership DOES NOT automatically entitle a person to volunteer at our school. There are very specific steps taken by our school district to allow in school volunteer work. If you are interested in assuming a Volunteer position, please go to HelenKellerPTA.org click on the 'Contact PTA' tab, and contact the 'VP Committees and Volunteers' representatives.

❖ I can't volunteer any time, why should I join?

The PTA fully appreciates any time and effort people can offer. We also appreciate there are many people, for many reasons, cannot offer any time. So why should you still join? You get some great financial discounts from the companies listed in this brochure.

❖ How long is my membership valid for?

Membership is valid from November through October, however no new memberships are processed July or August.

❖ What does Helen Keller PTA do with the \$14.00 Membership Fee?

\$1.75 goes to National PTA Membership

\$4.75 goes to Washington State PTA Membership

The remainder goes to cover the cost of our school directory publication cost, with a small amount going into the general Helen Keller PTA fund.

❖ Why are membership numbers so important? Shouldn't the PTA be seeking out people who will be active members?

❖ 1: The number of legislative votes a PTA Unit is entitled to is directly influenced by the number of members that unit has.

❖ Are there any personal benefits to being a PTA Member?

YES! See the list in this brochure. All these benefits are available to all members. Please note however, the benefit of the Helen Keller School Directory is only available to members with children attending Helen Keller. We respect the privacy and security of our families.

❖ Does Helen Keller really get 100% Staff Membership each year?

YES. We have a wonderfully active Teacher Body at Helen Keller, and hope to mirror this in our parent and greater community.

❖ What percentage of Helen Keller community joins the PTA?

You can see a graphical representation of our current and up-to-date membership at HelenKellerPTA.org
