

## Box Top\$ Bingo

If every student in the school turned in one bingo sheet we would collect \$875

If every student turned in 5 bingo sheets we would collect \$4,375

Now that's a chunk of change! Use this form or send them in an envelope. We bundle them in groups of 50 box tops to send them in for reimbursement.

Paste, tape, or staple one (1) trimmed Box Top\$ coupon in each square. If you have bonus coupons or large coupons that don't fit in the square simple tape them to the back. Send these back to school with your kids or drop them off in the front office. You may photo copy this and/or additional copies are available in the file boxes outside the front office. Every dime counts! If you would rather save the paper you may cut and turn box tops in an envelope. It will make it easy on us if you count them and label the envelope too!
