

Reflections

an arts recognition and achievement program
2010-2011 "Together We Can"

Dear Keller Parents,

National PTA believes all children deserve a quality arts education and encourages students to pursue artistic expression through participation in its annual arts *Reflections Program*. The program offers students the opportunity to create and submit works of art in six areas. Your child can represent their interpretation of this years theme – *"Together We Can..."* through the following media:

- ~ Visual Arts (includes art forms such as drawing, painting, print making and collage)
- ~ Photography
- ~ Dance / Choreography
- ~ Film Production
- ~ Literature
- ~ Musical Composition

A student can enter as many pieces as they wish, from as many categories as they wish, however each entry requires an individual entry form.

Please be aware there are VERY specific rules and guidelines for each entry type. Both entry forms and rules are available at <http://www.wastatepta.org/programs/reflections> and will be in the document holder outside the school office. More information can also be found at lwptsacouncil.org. We highly recommend you read these rules before your child spends time on their art work. Entries that do not follow the guidelines/rules unfortunately must be disqualified.

Please bring entries to school on or before Nov. 5th. Students may give them to their teachers or bring them to the office.

SUBMISSION DATE: Friday - November 5, 2010

ART DISPLAY & CELEBRATION: Friday – November 12, 2010

We'll celebrate the students' achievements, display their art work and announce the participants that will move to the district judging level. You won't want to miss it.

Sincerely,

Reflections Committee
